Offertory Program Results

The commitment phase of the Offertory Program has concluded. Commitments were received from (number) parish households. Parishioners committed to contribute $_____annually to our parish offertory. This represents an increase of _____% over our parish offertory last year.

This was undoubtedly one of the most significant projects ever tackled by our parish and we are a much stronger parish community because of it. Father _____
extends his deepest appreciation to the Parish Offertory Committee and the parish staff for all of their hard work.

A very special thank you is extended to all of those who responded to his request for a definite commitment. These responses will enable the Finance Committee to develop a very accurate income budget and to manage the funds very effectively.
