General Directives for All Clusters and Parishes

1. Pray and do all you can to increase vocations to ordained, consecrated life, and lay ministry.
2. All parishes will work toward the implementation of the Catholic Schools plan so that all parishes of the diocese directly contribute financially to the support of all Catholic Schools.
3. Each Cluster must implement a Cluster Planning & Implementation Team (CPIT) having representation from each parish to engage staffs and pastoral councils in developing regular pastoral plans for the cluster and to ensure regular communication to parishioners and to the Diocese.
4. Support the implementation of ParishSOFT in all parishes of the Diocese.
5. Support the implementation of Quickbooks in all parishes of the Diocese.
6. Support the implementation of a single diocesan-wide school information system in all schools of the Diocese.
7. Each Cluster must implement or be part of an Enrollment Management and Development team (EMDT)
   a. Clusters with one or more Catholic schools should create a single EMDT for all the schools in the cluster to address the specific issues of marketing the school(s) and increasing enrollment at the school(s).
   b. Each Cluster without a Catholic school should ensure that the Cluster has representation on the EMDT of a neighboring Cluster.
   c. The EMDT should be representative of all parishes in the Cluster, as well as any neighboring clusters without Catholic schools.
      i. In clusters with multiple schools, the team should have representation from the education commission of each school.
      ii. In clusters with a single school, the team should have representation from each parish and would report to a joint education commission. If a joint education commission for the cluster does not exist, then the EMDT would report to the education commission at the parish with the school.

CLUSTER (280) PARISHES: St. John Vianney, Janesville; St. Mary, Milton; St. Patrick, Janesville; Nativity of Mary, Janesville; St. William, Janesville

- Partnership as a cluster until such time as there is one less priest available to serve
- Expand on your existing plan for implementing the team model by giving more specificity to the action steps (tasks and persons), with attention to pastoral care, adult education, justice and peace, and the growing Hispanic / Latino population in the area with a written plan by spring 2011.

- As partnership parishes, parish leadership should meet regularly to:
  - build on existing cooperative efforts beyond what is currently in place in Prayer and Worship and Collaboration With Neighbors
  - intensify the development of stewardship at the cluster level
  - study the implications of this new model for all ministries
  - envision how the model will look and function with the cluster parishes
  - work out specific details for the change, including the equal distribution of the expenses associated with shared clergy and shared ministry

- When there is one less priest available to your cluster and upon approval of the Bishop, it is recommended that your new model be implemented for parish leadership for all parishes of the cluster:
  - The priests assigned to the five parishes in this cluster would administer to all five parishes. No one priest would be assigned to any one parish, all priests would be assigned to the cluster. In accord with canon law, one of the priests would be assigned by the Bishop as a moderator of the group.
  - Each parish would identify a parish administrator who would be on site at each parish and would be responsible for the everyday operations of the parish. Each of these parish administrators would be hired by the leadership team with approval by the Bishop.
